Annexure 1
Installation Procedure for NOTIS
1. Download NOTIS Setup from Connect2NSE Homepage:
Download Procedure:

- a. Open Internet Explorer, go to Connect2NSE homepage
 - For Leased Line users: <https://172.19.125.70>
 - For Internet users: <https://www.connect2nse.com>
- b. Click on NOTIS option.
- c. Download the NOTISSetup.exe (version 4.0.2) file on your local hard drive.

NOTE: If NOTIS is already installed then uninstall the current version of NOTIS application (i.e. 4.0.2). The user is advised to take backup of the NOTIS Archival data before uninstalling the previous version.

2. Backup Procedure for Archival:

- a. Make a copy each of the NOTISDB\CM\ADMINDB\Archive, NOTISDB\FO\ADMINDB\, NOTISDB\CD\ADMINDB\,NOTISDB\DT\ADMINDB\ and NOTISDB\SLB\ADMINDB\ Archive folders present in the Log Drive. These copies should be made outside the NOTISDB folder.
- b. After installation of the new version, these folders should be copied into NOTISDB\CM\ADMINDB\Archive, NOTISDB\FO\ADMINDB\, NOTISDB\CD\ADMINDB\, NOTISDB\DT\ADMINDB\ and NOTISDB\SLB\ADMINDB\ folders respectively.

3. Uninstallation Procedure:

- a. Go to the drive where NOTISSetup.exe is copied. Click here
- b. Double click on the NOTISSetup.exe
- c. The pop up window 'NOTIS Installer will be displayed. Select the Installation drive (where application is currently installed)
- d. Click on Uninstall Button.

4. Installation Procedure (version 4.0.2):

- a. Go to the drive where NOTISSetup.exe is copied.
- b. Double click on the NOTISSetup.exe
- c. The files will be extracted with the pop up window 'NOTIS Installer. Installation drive (where application will be installed) will be 'C:' by default. However, the user can change the default installation drive to any other local drives (e.g. D:). Click on 'Install' button on this pop up, message of successful installation will be displayed once the complete application is installed.
- d. On successful installation:
 - Two directories NOTISDB and NOTISData will be created in the installation drive.
 - NOTIS shortcut icon will be created on the desktop
 - NOTIS entry will be available in the 'All Programs' sub-menu of the 'Start' menu.
 - Kindly unzip and upload the following files available on Extranet on daily basis before logging to NOTIS
 - co_contract.gz & co_participant.gz
