# Winter Attachment Program FAQs

## 1. What is Winter Attachment Program 2017?

It is a unique learning platform for college students developed by NSE Academy, a wholly owned subsidiary of National Stock Exchange of India Ltd, a leading stock exchange of the country. The program aims at training students on Capital and Derivatives Market for investor awareness and knowledge building purposes. In addition to the in-depth knowledge shared, this program would help students build their resume and give them an exposure to a world outside the college.

Winter Attachment is a good opportunity for students to learn and be associated with NSE Academy to use a part of their winter vacation in a productive way. This training can help in choosing careers for those who wish to join the financial sector.

## 2. What is the registration process to join Winter Attachment Program 2017?

Fill the registration form, create DD or make payment through online transfer and send an e-mail giving all details of the payment made along with scanned copy of the filled form and DD or the screen shot of the transaction details.

Once we receive the candidate's payment, form and full details of the same, he/she will be allotted a roll number based on which he/she will be registered. There are limited seats thus registrations will close as soon as the batch is full.
